

## CVMA 8 HI Quarterly Newsletter

4th Quarter 2020 | Issue #2 | CVMA 8 Quarterly Newsletter

Our thoughts and support go out to all those affected by the outbreak of coronavirus (COVID-19). As the global effects of COVID-19 situation is extremely dynamic, your Chapter 8 Board is firmly committed to the health and safety of our members, their families and our community.

Communication is essential to keeping our members aware of what's happening. Those members needing any assistance during this pandemic are encouraged to inform the Board. We look to those members who can still freely move to offer assistance.

CVMA will comply with all state and public health guidance and your Board is closely monitoring this very fluid situation. We will also update you with any new information that would change or compromise our current operations.

## Support for current events

Despite conditions in Hawaii the chapter was still able to support some good causes this quarter. We also bid farewell to some legacy members as they depart for greener pastures and we received a dozen more in that time. We need to continuously work together to welcome those folks and integrate them into the team.

## Upcoming Events

Pending updated guidance from Hawaii Governor below are future non-sanctioned events that we have supported in the past

- 11 Nov American Legion Natatorium Ride
- 26 Nov SBU Meals on wheels
- 6 Dec SBU Toy Parade
- 19 Dec Wreaths Across America

## ***Maintenance Tip***

When purchasing a bike, whether new or used, immediately buy a service manual for that bike. I wholeheartedly recommend buying the manual from the bike manufacturer

In May of 2001 the CVMA adopted the CVMA/VFW patch. On December 15, 2002 it was voted the CVMA would wear a combination of the CVMA background and the old skull logo as a one piece patch.

On 1 July 2006 Chapter 8 became a full Chapter in Hawaii and adopted a patch to represent the area, which services Oahu, Maui, Kauai, Molokai, and Lanai. The skull represents our ties to Combat Veterans Motorcycle Association. The national and state flag represent our commitment to the community we service and the nation we represent.
